Enclose all documentation in an envelope printed with the Exhibitor's name, age, phone #, 4-H County/City and class. Attach envelope to exhibit with string or tape. A "before" photograph along with a statement of intended use, must accompany each exhibit in the "refinishing" class.
2. The maximum size is 3' x 6' x 5'. Where indicated in class description, LD is "largest dimension" and SD is "smallest dimension".

All exhibits in the other classes must be made of worked wood (cut, shaped, etc.).
4. Special note regarding Birdhouses: Birdhouses with perches attract unwanted, non-native birds such as House Sparrows and European Starlings, that are more aggressive than our native birds such as the Bluebird. Currently, these non-native birds are primarily responsible for the decline of many of our native cavity-nesting species. This note does not apply to decorative birdhouse classes.
5. Judging Criteria: Design and Plan; Workmanship; Choice of Wood; Suitability and Quality of Finish; Usefulness.
