

## DIVISION V - 4-H ENGINEERING EVENTS

### Division Rules & Regulations:

1. Only 4-H Members may participate in this division, except for Section VI (4-H/FFA Tractor Operators Safety) - FFA Members may participate in this section. Entries are made by the 4-H Extension Educator/FFA Advisor (**exceptions to this are entry for the electric/energy, and small engine contests – see Rule 12 below**).
2. There is a \$5.00 participation fee for each event.
3. Participants must comply with “General State Fair Rules & Regulations”, “General 4-H and FFA Rules & Regulations”, these “Division Rules & Regulations” and the applicable “Section Rules & Regulations”.
4. Participants will participate according to their 4-H Age (as of 1/1/2018): Junior (ages 8-10); Intermediate (ages 11-13), Senior (ages 14-18) unless noted.
5. The senior division winner within each section may earn the opportunity to represent the Maryland 4-H Program in that respective event at the National Youth Engineering Challenge. See the National Youth Engineering Challenge rules available on the internet for more information about these national events.
6. Previous senior winners who have accepted a national trip may not participate again in the same event. Previous Senior National Trip Winners in one event may participate in another event in the senior age division.
7. Events are subject to participation and can be cancelled due to low registration.
8. Where applicable, visual materials must be readable from 25 feet. A projector will be provided. Presentations requiring a computer should be saved to a flash drive.
9. Participants will be disqualified at the discretion of the Superintendent for unsafe practices or acts unbecoming a 4-H/FFA member.
10. Scores for all parts of the event will be combined to determine the overall placing. Where necessary, the Written Exam will be the tie-breaker.
11. Awards: Ribbons will be awarded to the 1st-10th Place in each class. Premiums: 1<sup>st</sup> (\$15), 2<sup>nd</sup> – 10<sup>th</sup> (\$10). Trophies and Rosettes will be awarded to the 1<sup>st</sup> Place Individual in each age division. Senior 1<sup>st</sup> Place Individuals may have the opportunity to represent Maryland at the National event.
12. **Individuals must enter through the online registration system for the electric/energy and small engine contests. Pre-entry is required. YOU MUST USE THE INTERNET ENTRY SYSTEMS FOUND AT [www.marylandstatefair.com](http://www.marylandstatefair.com). Internet entries are due July 31, 2019. Exhibitors without internet access should contact their County Extension Educator for assistance.**
13. Maryland State Fair events closely follow the format of the National Youth Engineering Challenge. Event information including recommended study materials and course layouts can be found at <http://www.ydae.purdue.edu/naenr/naenr.html>
