FRIDAY, AUGUST 23 – HANSON

Over their first 25 years as the band **HANSON**, brothers Isaac, Taylor and Zac Hanson have made a significant mark in music. They saw a meteoric rise in their fan base with their 1997 international smash single "MMMBop" from their debut album *Middle Of Nowhere* followed by consecutive top 40 singles. A long line of hits, five more studio albums, multiple Grammy nominations and over 16 million album sales followed. In 2007, they launched a grassroots campaign to support poverty relief and HIV/AIDS relief in Africa (TakeTheWalk.net). After a sold-out world tour celebrating 25 years together, **HANSON** marks their 26th birthday with a musical experience unlike any other.

SATURDAY, AUGUST 24 – THE MARSHALL TUCKER BAND

The Marshall Tucker Band, in 1973, was out to prove themselves every time they hit the stage and with their debut album that spawned numerous hits. The collective talents of The Marshall Tucker Band took them very far indeed. Still led today by founding member and lead singer Doug Gray, they represent a time and place in music that will never be duplicated. Gray is quick to credit the band's current dynamic members with carrying on the timeless essence of the Band's sound. Together they present a powerful stage presence on their tour and in the world of music with hit singles like "Heard It In a Love Song," "Fire On The Mountain," "Can't You See," and "Take The Highway."

FRIDAY, AUGUST 30 – LOCASH

Native Baltimorean Chris Lucas and Preston Brust make up **LOCASH**, the singer-songwriter duo whose “Feels Like A Party” hit is climbing the charts, have created a sound that fuses modern County and classic heartland Rock with an edgy vocal blend. The 2019 ACM nominees for Duo of the Year just released their new album *Brotherson*. Their GOLD-certified hits and Country radio chart toppers “I Love This Life,” “I Know Somebody,” and the fun-loving romantic anthem “Ring on Every Finger” are featured on their Top 15 debut album *THEFIGHTERS*.

SATURDAY, AUGUST 31 – NIGHT RANGER

With more than 17 million albums sold worldwide, over 3,500 live performances, and a radio audience that exceeds 1 billion, **Night Ranger** has both epitomized and transcended the Arena Rock sound and style well beyond that era. The band is proof that powerful songs, plus accomplished musicians is the perfect formula for continued success. Night Ranger has earned widespread acclaim, that includes multi-platinum and gold album status while leaving their indelible mark on the music charts with a string of best-selling albums (*Dawn Patrol*, *Midnight Madness*, *7 Wishes*, *Big Life* and *Man In Motion*).
