**MARYLAND HOLSTEIN FUTURITY**

Sunday, September 6<sup>th</sup>  
 Section 7 Class A 36

Animals must be currently nominated for Futurity. Animals will not be allowed to show in both the Futurity and Class 14 or 15.

**DEPARTMENT A - DAIRY CATTLE**

- All exhibitors must abide by the IAFE Code of Ethics found in the General Rules and regulations.
- All dairy cattle will be accepted for housing under the following schedule (No exceptions for housing will be made without prior written permission from the Livestock Superintendent):  
**Dairy Stalls available at 2PM to 9PM on Thursday, September 3<sup>rd</sup> and 9AM-NOON on Friday, September 4th**  
**Must be in place by NOON on Friday, September 4th**  
**Dairy Cattle Released Following Completion of Show**
- Registration certificates for each animal must be furnished and available anytime during the fair. Certificates will be checked prior to show day. For an exhibitor to be eligible to show an animal, the title of ownership must be in the exhibitor's name and must show on the registration certificate in the respective breeds permanent herd book or registry.
- Facilities to wash animals are located outside the cattle building at the north and southwest sides. **No animals** may be washed inside the building or any location except these designated wash areas. Animals may not be tied to spigot rail of wash rack.
- Fitting of animals must be done in the housing area (the designated areas/stalls/aisle) that you are assigned upon arrival to the Maryland State Fairgrounds. No fitting will be allowed in the makeup area, around the makeup area, or outside of the Cow Palace. Trimming, blocking or squeeze chutes may only be used in areas designated by the Livestock Superintendent, Dave Brauning. No other areas may be used.
- The dress code for dairy cattle shows will be white-on-white with neckpiece optional, and premiums will be forfeited on individual and championship classes if this code is not complied with. **At no time shall any person under the age of 8 years old be permitted in the show ring.**
- No animal will be permitted in the East End of the show arena at any time, or behind the bleachers.
- A modern milking parlor for the proper handling of milk is located in the southeast corner of the building. The operation of this facility is under the direct supervision of the General Livestock Superintendent.
  - Milking parlor availability will be posted.
  - Quality control standards will be maintained and enforced.
  - NO milk can be dumped on the fairgrounds by any exhibitor.**
  - Failure to comply with these rules will result in a request to remove animals from the fairgrounds and all premiums payable will be forfeited.
  - Personnel at the milking parlor are in charge. Their recommendations and instructions must be complied with.

**SPECIAL RULES**

- Entries qualifying for the Longtime Production class may be shown in only one class.
- In order to be eligible for group classes, all animals must be entered and shown in their respective individual classes.
- Partnership or syndicate owned animals must be entered and exhibited by the partnership or syndicate, not by one member of the partnership or syndicate.
- Any individual class with less than 4 animals to be shown may be combined with the next older class.
- All animals that show in the Red & White Show must be registered. Open exhibitors must be members of the RWDC. Red & White Holsteins are eligible to show in both the Red & White and Holstein show only if they are pre-entered in both shows.
- A Family Herd or Unit is a herd registered in the names of the immediate members of a family; these persons may combine entries as a Family or Herd and be considered as one exhibitor or one breeder. In order to qualify as a Family or Herd Unit, all animals must be housed in the same herd.
- Each breed must have 60 animals shown in order to qualify for Premier Breeder and Premier Exhibitor Awards.
- EXHIBITORS MAY NOT DISMANTLE THEIR EXHIBITS UNTIL ONE HOUR PRIOR TO THEIR RELEASE TIME.
- NO PREMIUMS WILL BE PAID IN 2020** - Exhibitors are limited to 2 (two) premium monies in any one class and a maximum of 20 (twenty) premiums will be paid in any class (Except Group Classes & Futurities).
- The Grand Champion of each dairy breed will be expected to compete for Supreme Champion on Monday, September 7th.
- The Junior Champion of each dairy breed will be expected to compete for Supreme Champion on Monday, September 7th.

### **DAIRY CATTLE TESTING**

1. The Maryland State Fair and Agricultural Society, Inc. ("State Fair") will have the authority to inspect all animals to determine if violations of State Fair Rules or the Code of Show Ring Ethics have occurred including:
  - a. an ultrasound examination of the udder, prior to milkout
  - b. a milkout of any individual cow or cows and/or
  - c. the collection and testing of any of the animal's bodily fluids and/or
  - d. the use of any other technology that may be useful in determining if a violation has occurred in any animal based on placement, random selection, or suspect characteristics.
  - e. the State Fair Board Chairman ("Board Chairman") may, at any time, require the delivery to them of any hypodermic syringes, needles, or other devices, swabs, cloths, or other materials, or samples or any medicines, preparations, or substances, whether in liquid or other form, in the possession or control of the exhibitor for the purpose of laboratory analysis.
2. If before an animal is shown the Board Chairman in his discretion reasonably believes that a violation will occur if an animal is shown, the Board Chairman along with the Dairy Cattle Show Superintendent and the General Manager will determine if a violation is likely to occur if the animal is shown. The exhibitor will then be informed that the showing of that animal may result in a violation of State Fair rules or the Code of Show Ring Ethics. If the exhibitor withdraws the entry, no violation will be deemed to have occurred.
3. Following the judging of the milking cow classes, the State Fair may perform such tests as it deems appropriate including ultrasounding the udders, prior to milkout, of the winning entry and a random number of other entrants.
4. If any violations appear to have occurred, the ultrasounding readings, milk sample analysis or other evidence and test reports, if any, will be submitted to the Board Chairman, the Dairy Cattle Show Superintendent and the General Manager.
